# Uncle Buck's

FISH BOWL & GRILL

## WELCOME TO UNCLE BUCK'S!

We hope you brought your appetite for food and fun. My Uncle Buck would've been right at home here, and that's why we named this combination bowling alley/family eatery after him.

Uncle Buck was my mom's brother, part of a big family with 10 kids. He grew up in Willard, in the heart of the Missouri Ozarks. He spent much of his free time pulling fish after fish out of the White River, and he passed that passion on to me.

When I was little, I was always out on the rivers with my dad and uncle. My favorite memories of Uncle Buck revolve around fishing, family get-togethers, and the stories he'd tell.

We trust Uncle Buck's Fish Bowl and Grill will be the kind of place you'll love bringing your family— a place to eat, bowl, and make wonderful memories. That's just the way my uncle would've wanted it.
